2. Major Credit Cards (Master Card/Visa/Discover)
3. Care Credit
4. Citi Health Card

Applying for Care Credit or Citi Health Card only takes a few minutes and there is no fee to apply.

Failed Appointment Policy

There is a \$100 cancelation fee per scheduled hour.

When an appointment is made, we are establishing a bond of trust with you. Our bond is that we will be on time to treat your dental needs with excellence. At our office quality is the constant and time is the variable. Your bond is to arrive on time for your appointment and pay for services as agreed.

As you know we only see 4-6 patients per day, therefore appointment time is a precious commodity to our patients. When a patient fails to call and reschedule or just fails to show up for their appointment, this delays other patients who really want to continue their journey to optimal health.

I have read and agree to the Financial Policy and Failed Appointment Policy of Dr Kevin D Burgdorf DDS.
